

**Brunswick Catch**

Fresh from local fishermen to you!  
BrunswickCatch.com

Fresh from local fishermen to you.

Brunswick Catch is built on a seafood heritage that dates back generations. Many of our commercial fishing businesses and the local markets and restaurants that sell their catch are family businesses.

brunswickcatch.com

**OUTER BANKS CATCH**

Local fishermen approved.

Outer Banks Catch invites you to experience the variety of seafood caught by Outer Banks commercial fishermen. Our local fishing fleet brings in the best from the ocean, the sounds, and the rivers of Northeastern NC.

outerbankscatch.com

**Carteret Catch**

Select N.C. seafood from the fishermen of Carteret County.

Carteret Catch is proud to promote the high quality seafood landed by Carteret County commercial fishermen. We work hard to protect our fishing heritage, marine resources, and the future of our seafood businesses and communities.

**Ocracoke FRESH**  
Caught today the traditional way.

Caught today the traditional way.

Ocracoke Fresh reminds you to buy local, fresh seafood. If you don't know your commercial fisherman, make sure to ask your seafood market or restaurant who caught your fish.

ocracokeseafood.com

Look for this label on seafood packaging at local markets!!

NC Catch, in partnership with the seafood industry, local Catch groups, the NC Department of Agriculture and other organizations, work together to strengthen the North Carolina seafood economy through promotion and education.

### Together we ...

- **Support** a robust seafood economy that sustains fishing communities and brings North Carolina seafood to consumers statewide and beyond.
- **Promote** commercial fishing as an honorable profession deeply rooted in North Carolina's coastal heritage.
- **Build** on the seafood industry's economic opportunities to encourage job growth, financial investment and strong partnerships for the future.

**NC GROWING TOGETHER**

Connecting Local Foods to Mainstream Markets

The creation of this material was supported by NC Growing Together, an initiative funded by the National Institute of Food and Agriculture, USDA, under award number 2013-68004-20363.
