chef jason minoda

Leading the innovative culinary team at Minodas Japanese Steak House and Sushi Bar is Executive Sushi Chef Jason Minoda. Originally from Charlotte NC, he moved to Morehead City when his father, Chef/Owner of Minodas, decided to open in a new location. Jason has a passion for not only classic sushi styles but also creative fusion.

He studied for a little over two and a half years under a classically trained sushi chef before taking over his teachers duties at Minodas in Charlotte. Over the next 10 years he has honed and expanded his knowledge of sushi and started developing new flavors and ideas to meld with traditional styles, which he now calls fusion.

A seasoned talent with extensive experience in the sushi arena, Chef Jason Minoda is dedicated to delivering great food and service to his patrons.
